Serial No.

Letter no B2-C 2377/76/47-8 dt 11-10-47 (received on 16.10.1947) from the Director of Food Supplies, requesting sanction for the revised estimate for Rs 2440/- on account of repairs to the Railway Foods shed at Tuticorin.

In G.O. no D. 4997-Sooz/A 65-46-4 dt 17/19.12.1946 sanction was accorded for an estimate for Rs. 2250/- on account of repairs to the Railway Foods shed at Tuticorin so as to suit storage of foodgrains at the place. In doing so, Government observed that out of the savings in the above estimate a small area required for measuring purposes may be cement concreted and plastered and that when the building is no longer required the extra fittings such as light connections, doors and windows may be auctioned and the sale proceeds credited to the Food Department.

The DFS has now reported that the repairs work at the Railway Foods shed,

SIR,

Subject: Repairs to Railway Goods Shed at Tumkur.

With reference to Government Order No.3D.4997-5002/4. 65-46-4 according sanction for an estimate for Rs.2250/- for repairing the Railway Goods Shed at Tumkur, I have the honor to state that it is reported by the Deputy Commissioner, Tumkur, that the work was completed. The existing shed had stone paving and the Deputy Commissioner, Tumkur had instructed the Executive Engineer that the entire flooring may be cement concreted and plastered with cement to facilitate measuring work. Therefore this has exceeded the estimate by Rs.190/- and the Deputy Commissioner, Tumkur has requested sanction for the revised estimate for Rs.2440/- A copy of letter No.138 dated 20th September 1947 of the Executive Engineer, Tumkur Division, addressed to the Deputy Commissioner Tumkur, in the matter is enclosed.

I request you kindly to obtain sanction of Government for the revised estimate for Rs.2440/- which is in excess by Rs.190/- over the original estimate. The original and revised estimates have been enclosed for reference and return.

I have the honor to be,
Sir,
Your most obedient servant,
